## Welcome to The Adirondack Fragrance Farm!

I plant water weed and grow the most lovely smelling and tasting plants that endure our short but sublime growing season. I also work with local cedar distillers and others to garner some of our regions most exotic and alluring scents.

*Sandy Maine*

Owner/Founder of ADK Fragrance Farm

All of these natural gifts are gathered and prepared for inclusion in regionally inspired perfumes and complementary products that I design and market regionally and internationally. In the mid-late summer plants are harvested and dried, scents are extracted and stored for use in our beautiful farm-based product line in celebration of all things Adirondack! As founder & former owner of Sunfeather Natural Soap Company, I have enjoyed many years of creating fine soaps and body care products for national distribution.

Many people have asked to visit the Adirondack Fragrance Farm. Since 2019 we have opened four vacation rentals on remote parts of our property. For more info and reservations visit [www.ADKRiversideCabin.com](http://www.ADKRiversideCabin.com).

You will enjoy this natural extension of my work as I create a new life chapter "The Adirondack Fragrance & Flavor Farm" located in the northern corner of the Adirondack Park, a place I have called home for over 43 years.

# SEASON OF LOVE & LIGHT
